

## DO YOUR PROFESSIONAL PLANS INVOLVE A CAREER IN HEALTHCARE, HOSPITALITY, OR CUSTOMER SERVICE?

Then do we have an opportunity for you! Gain invaluable experience as an active, trained participant in the day-to-day workings of various hospital care settings.

- ◆ interact directly with patients and clinicians
- ◆ develop good interpersonal skills and communications strategies
- ◆ become familiar with the hospital environment and its caregivers
- ◆ provide support to the healthcare teams

### We offer three competitive positions:

#### ED Liaison

– Interacts directly with patients and providers in the busy and exciting world of emergency medicine.

#### Inpatient Setting

– Works directly with the nursing staff, rounding regularly on designated inpatient units to provide pleasant diversions, conversation, or companionship.

#### Ambassador

– Serve as a high-profile representative at the main entrance to the hospital, providing direction and services to patients, visitors, and family members.
